

SAT/ACT Summer Sessions

For students preparing for October 11 and 25 tests,
offered by

College Success
N E T W O R K

**Carlsbad small group sessions begin August 5,
and meet weekly through September 30. East County small group
sessions begin August 7 and meet weekly through October 2.**

Each week, the group will receive targeted instruction and take a full-length practice test in order to maximize understanding and hone their test taking skills.

Students will learn:

- Answer elimination strategies for all sections.
- How to attack the reading passages and find the answer clues.
- Avoid tricky traps in SAT grammar sections, and the most important grammar rules to know.
- Unconventional math strategies to save time, plus the “must-know” math facts and formulas.
 - Winning essay strategies.
- Decoding strategies for unfamiliar vocabulary words, as well as regular vocabulary testing.

Students work with experienced instructors and actual College Board/ACT material - critical to score improvement.

All group sessions are local. Space is limited.

Pre-registration is necessary at www.CollegeSuccessNetwork.com.
